Dedication

TO ALL THE TEACHERS WHO BY THEIR GUIDANCE AND
PATIENCE HAVE MADE IT POSSIBLE FOR US TO GRADUATE,
WE, THE CLASS OF 1946, DEDICATE THIS BOOK.

Theme

We, the Senior Class of 1946, have just completed the most memorable days of our life, our schooldays. For others school days still go on, but as they come to the end of theirs they too will remember and cherish them. Until one nears the finish of his schooldays he does not fully appreciate them, in fact many think they dislike them, but as seniors about to graduate the word schooldays will bring back many memories to them. They will remember their first day in the first grade and how bewildering it was and it will also remind them of their first run-in with the teacher. They will hear the recess bell ringing and they will see themselves and their classmates laughing and shouting on the playground. They will recall the warm afternoon sun streaming thru the tall trees as they walked home from school with books under their arms. It will remind them of their days in the junior high and those days they spent as "green" freshmen. They will remember well the friends they made, the fun they had and the things they learned while in high school. Last of all they will remember their cap and gown and that paper that meant they were on their own. We sincerely hope that as they remember these things and look back on their schooldays that they will not need to do so with regret for time idly wasted, but with a feeling of self-satisfaction and deep appreciation for an invaluable experience.

With this thought in mind, we, the editors, feel it only proper that the theme of this book be "Schooldays" and we have tried to bring this to you throughout our book.

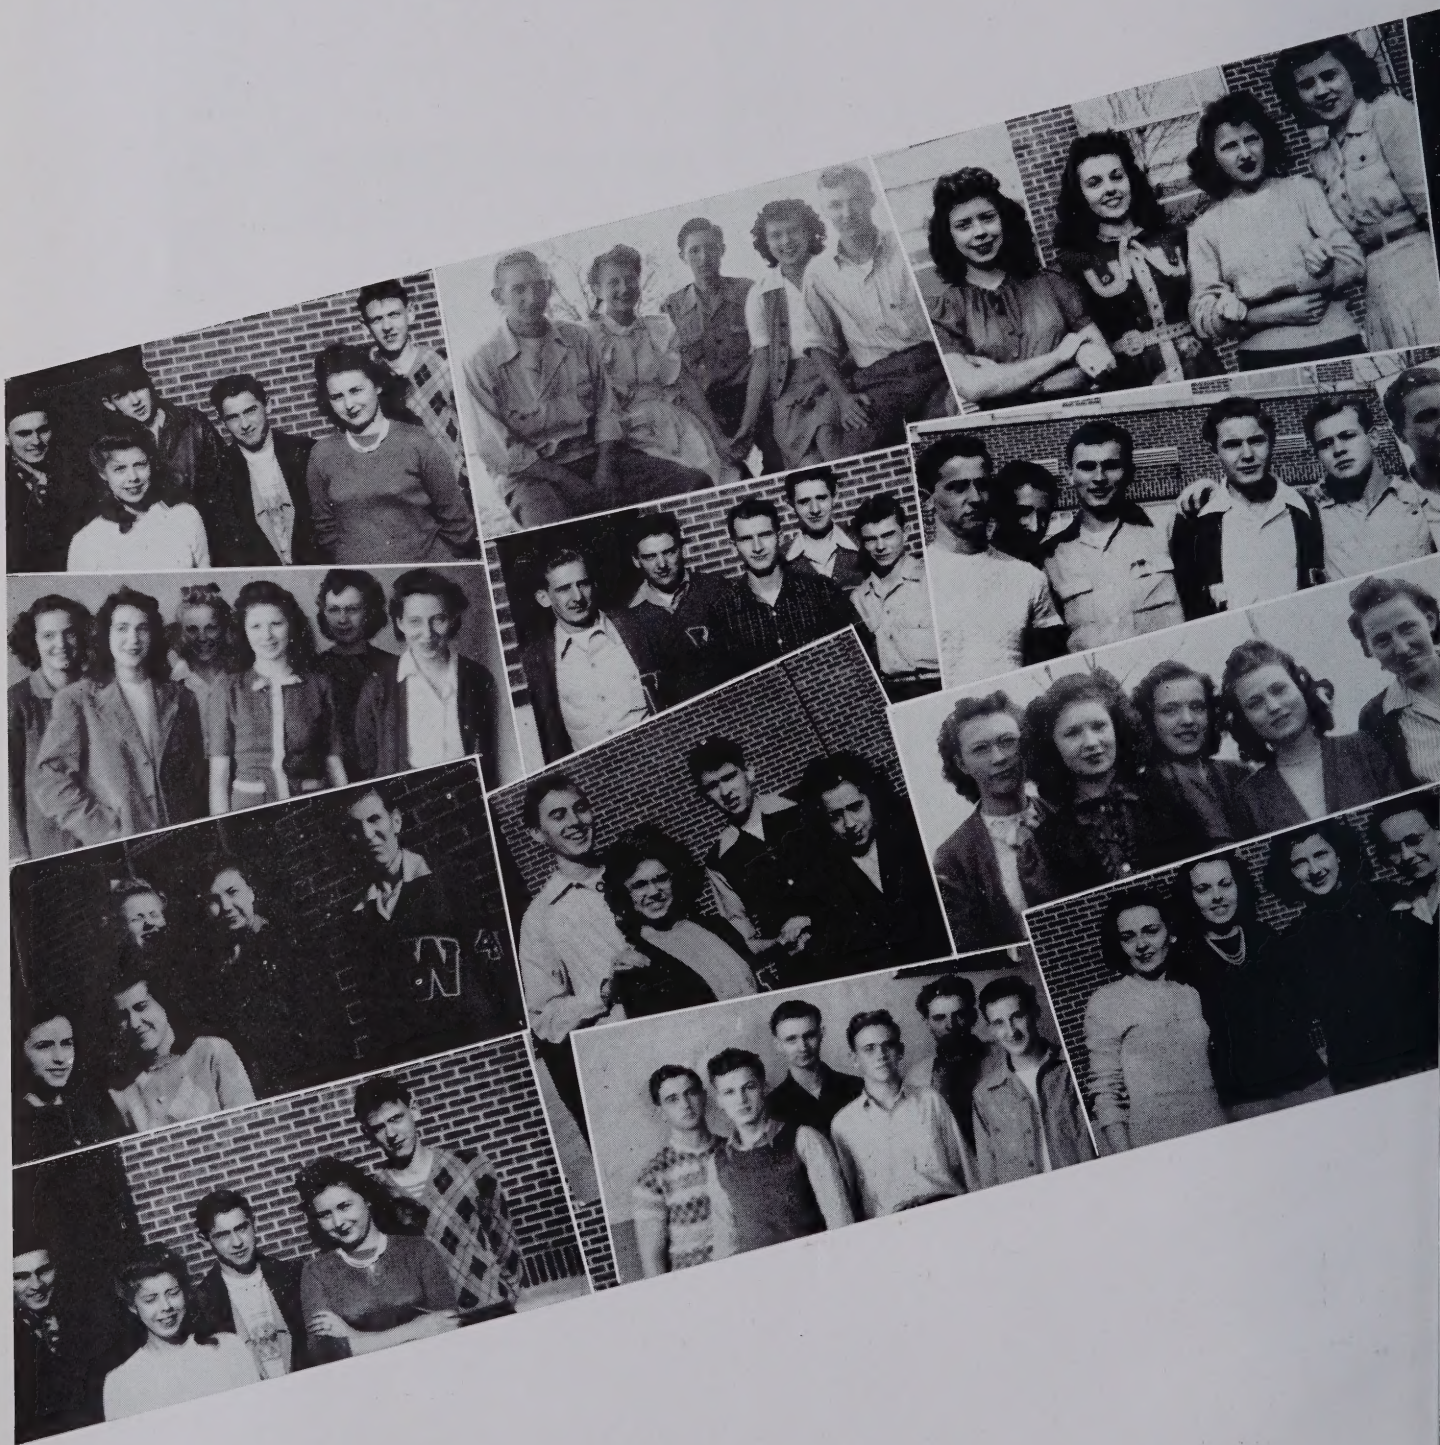

School Days

School days, school days, Dear old golden rule days.
Readin' and 'ritin' and 'rithmetic, Taught to the tune of a hick'ry stick.
You were my queen in calico, I was your bashful, barefoot beau;
And you wrote on my slate, "I love you, Joe,"
When we were a couple of kids.

CHARLES MAYNE

The Waterloo-Grant Township School Board, composed of three members, operate a First Class Commissioned School. Under this commission the school must offer as a minimum a curriculum in four distinct fields of education. The Waterloo High School offers an academic course designed to prepare students for college work. Also a commercial or business course is offered. Through this course many students obtain enough skill and information to carry on office work. For girls interested in the domestic arts, the school gives a home economics course. This department has been established and supervised by the State Home Economics Department. The boys who are interested in agriculture are given the opportunity to study animal husbandry, soils and crops, horticulture and farm shop. This department also has the direct supervision of State officials.

The Waterloo High School has been accepted as a member of the North Central Association of Colleges and Secondary Schools. This association is an accrediting organization extending over twenty states and has a membership of 3,000 colleges and high schools. Membership is restricted to high schools meeting an exacting standard.

Office Staff

Mr. Overmeyer and Mr. Smith are the superior,
But the office girls make up the interior.

Merriel has been with the staff two years,
She takes dictation without any fears;
She works on the books and what needs to be done
She does all this and still has lots of fun.

Annabelle has many miscellaneous tasks,
She does whatever the superintendent asks;
Grades papers, copy records and checks as she does
write,
She does it all cheerfully and does it just right.

Next on our list is Willidene Crowl,
She does her work without a growl;
She works in the office at the first of the day,
And is carefree, cheerful and happy in her own
way.

Patricia takes care of the last of the day's work,
She is helpful and willing and does it without
shirk,
She runs errands both large and small,
You can see her most anytime going down the
hall.

Suzanne does her duties and answers the phone,
She works at most anything whatever she's shown,
She has many miscellaneous duties to perform,
Though the weather be sunny or dreary with storm.

Willidene, Patricia, and Suzanne will be back next
fall,

But Annabelle and Merriel will not be seen in the
hall,

We are grateful to these girls for all they have done,
And to Mr. Overmeyer, Mr. Smith, and everyone.

Class Poem

Max A. is a boy of many an ambition;
Will probably do more than sit around wishin'.
He's a boy that absolutely can't be set back;
He likes his sports and his favorite is track.

Roma has been a faithful yell-leader;
When she is gone we certainly will need her.
In class it's a wonder how high she rates,
For every night we find her on skates.

Vereda Mae joined us only this year;
Everywhere she goes she spreads good cheer.
She is a wee, small girl, as you all know;
She came to Indiana from Ohi-o.

Don, Miss Yoder says, is never awake;
She thinks it's because he stays at P. Lake.
But Don worked well for the Annual Staff,
And when we say this, please don't laugh.

Elmer Bowers is a very quiet lad,
He's always happy and never sad.
He spends much time in the typing room,
Hoping he'll improve his typing speed soon.

Beverly Bunge has certainly done her part,
For to build this book, she did the art.
She is always merry, she is always gay,
She was chosen Queen last Valentine's Day.

Mary Childs joined us four years ago.
Mr. Bowers says in typing she is not slow.
Her pencil's kept busy sketching design.
And they always turn out exceedingly fine.

Franklin Conner is here most everyday;
We think he comes to bother A. J.
His chief ambition's to till the soil,
Because of his strong arms, he likes to toil.

Barbara Diederich is interested in dramatics,
But she says she thoroughly hates mathematics.
She is also the type to be athletic,
But with school work not too sympathetic.

Charley D. is really a true friend of ours,
And on his school work he spends many hours.
He studies ag, belongs to the F. F. A.
Of him there is nothing bad we can say.

Robert Faulkner comes to school on the bus;
He does his work without any fuss.
His walk is one slow, easy gate,
And to his classes he is never late.

We can say Edna Fike is fair and tall,
She's good in sports, especially basketball.
And as to her future and her life,
We think she will make a very fine wife.

Bud Freed is a boy that is handsome and neat,
When it comes to track he's sure hard to beat.
As a rule he never has much to say,
And he comes to school in his old Model-A.

Vincent G. is surely on the beam,
He was the manager of our basketball team.
College days he hopes to see,
For a teacher he wants to be.

Joann Grimm is an ambitious lass,
For in typing we hear she's ahead of her class.
When typing, shorthand and art combine,
We're sure they'll develop into something fine.

Jim Hamilton's editor of this book;
But when a meeting is called, for him we must
look.
In basketball though he's right on the beam,
The biggest and tallest man on the team.

Vernon Hornthrop, the tallest man in our class,
Dreams of a fair, Kentucky lass.
He excells when it comes to dramatics and
speech,
And his goal in life he will surely reach.

Jacqueline Howard is quiet and shy,
When we ask for help she answers, "I."
She types stencils, writes letters, and helped
with this book,
And we hear she is trying to learn to cook.

Jr. Hubartt, the boy who works in a store,
Has energy, pep, and ambition galore.
As Hi-Y secretary this year he did serve,
And from responsibility he'll never swerve.

Bruce Jenks joined us from Ashley High;
When he gets the Mercury he makes it fly.
He is interested in money, jokes and bets,
And pretty girls who come from Metz.

Myron Johnson led our class for more than a
year,
And when he is gone they'll all wish he was
here.
For he was basketball captain and high-scoring
man,
A favorite of each and every fan.

Virgil P. Johnson has an executive air,
He'll check your oil and change your spare.
In spite of the fact that he's always late,
He does very well when it comes to debate.

Enola Kohl works in the library,
From her daily routine she will seldom vary.
She likes her subjects one and all,
And when it's sports, it's basketball.

Juanita Krantz is a brilliant maid;
She's among the highest in our grade.
A college education is her desire,
And her ambition we all admire.

Betty McEntarfer's a faithful member of the
band,
Her services here are always in demand.
She's often been a secretary-treasurer and such;
Her helpfulness around this school will surely
be missed much.

Jack Miser never has so very much to say,
He isn't melancholy or especially is he gay.
You will usually find him riding in his Ford V-8,
With one certain girl for his each and every
date.

Mary Miser, now we find, is the next girl in line,
With that famous smile of hers, she makes
everything just shine.
She isn't very wide nor is she very tall,
But she can really get things done even though
she is so small.

Merriel Nodine was an office girl, and always
was she there
When anything was wanted or in need of some
repair.
It can here and now be stated that her chief
ambition's this—
To marry a certain farmer and live forever in
wedded bliss.

Nadine Reinhart is courteous, sweet and kind;
She never has so much to say, but there's plenty
on her mind.
Whenever there is work to do you'll find her
pitchin' in,
With traits like these we're very sure her goal
she'll finally win.

Barbara Richardson I'm sure you all will agree
Is a very perky lady and as neat as she can be.
She would rather be a-skating than most anything,
I guess;
Cause you'll find her there most every night
along with all the rest.

Theresa Richter now's a gal with talents that
are many,
You'll find that of her spare moments there just
aren't any.
You can always see her busy with a poster,
sketch or book,
And after school at Hamilton's if you only care
to look.

Clayton Sattison is our President, a friend of
great and small;
You will find him on the track in the spring
and in the fall.
He never shirks his duty, and he always does
his part,
And besides all this we know he's exceptionally
smart.

Walter Schuster is a basketball fan;
He'll drive to a game whenever he can.
His manners are pleasing, his ways are kind;
Do you ever find him with mischief in mind???

Barbara Shull, a cheer leader, pretty and pert,
Never a soul would intentionally hurt.
She's full of pep, vigor and fun,
And never a person does she ever shun.

Doris Jean Smith has patience to spare;
She can grade many papers without tearing
her hair.
Many would profit to copy her air,
For always playing the game fair and square.

Annabelle Stange, the president of Girl Reserve,
Is always ready, willing and able to serve.
She is pleasing of manner and has a winning
smile.
If she would but ask it we would all run a mile.

Merwood Till can play the part of a villain
to a tee;
Though to know him you would say that it
just could never be.
He is fine at making speeches, and debates are
sure his dish.
And of just one man what else is there that
anyone could wish?

Richard Weirich, we can say, is really a fine
fellow,
He wanders up and down the hall in shirts and
socks of yellow.
His hair is red, his eyes are blue, his temper
it is keen,
But tell me now, if you think you can, where a
better man can be seen.

Dick Wilson's a boy who is not very large,
But to his teachers he proves quite a charge.
He will drive his car at the merest suggestion,
And the driving he does never aids your digestion.

Backward never, forward forever, has been our motto true.
Our choice of colors for these four years has been white and navy blue.
A symbol of love for each other we show in our flower, the deep red rose,
And may each in this class of '46 take these memories wherever he goes.

Class History

In 1934 we began our long journey through school. There were 23 of us under the guidance of Miss Ruth Bolton. During the rest of our first eight years our teachers were: Miss Brandon, Miss Hamman, Miss Dirrim, Mr. McIntosh, Mr. Gurtner, Miss Wilson and Mr. Bowers. Miss Virginia Bachtel taught us music.

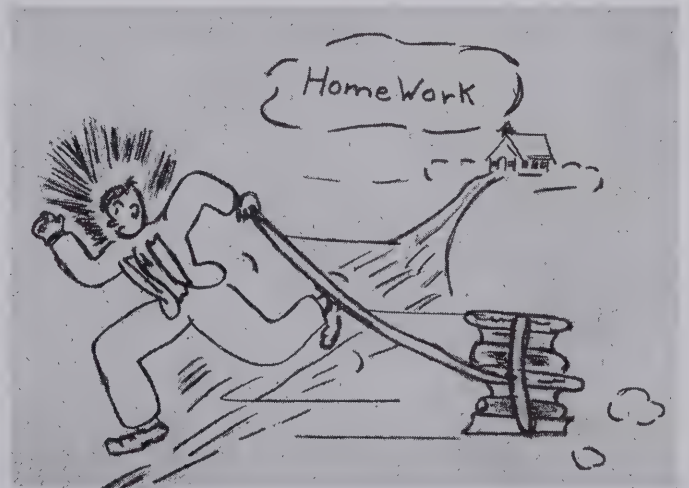

When we entered our Freshman year we numbered 47. We were sponsored by Miss Vera Howell. As we continued our number increased and decreased. During our school years death has claimed two of our members. Uncle Sam has also called several into the service.

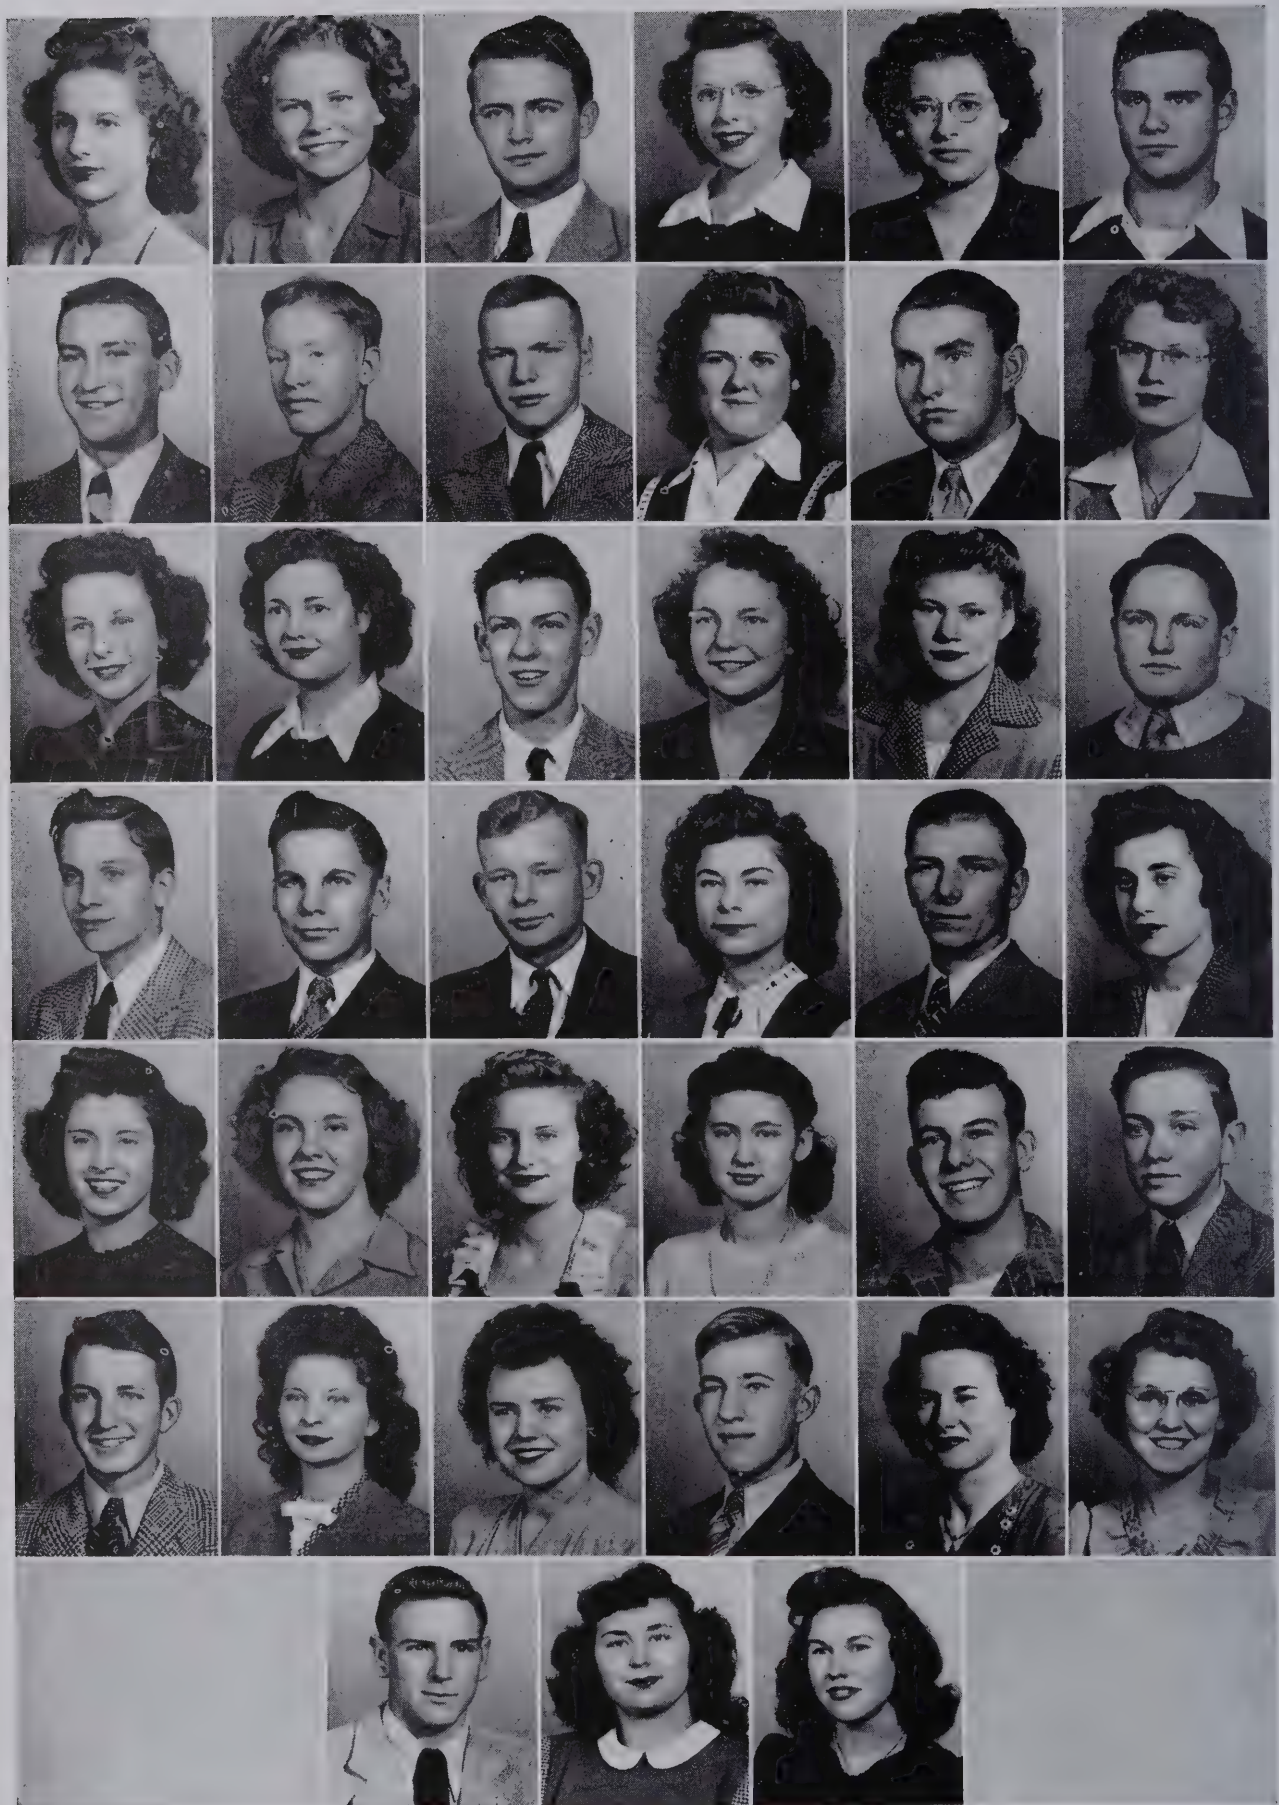

Now as seniors our home room sponsor is Mrs. Voss. During the year we have collected waste paper, published this annual and presented (the very successful play), "The Hobgoblin House."

Now as our last days here in W. H. S. grow shorter, we are looking ahead to the future when we will remember the good times we had here, during our school days.

JUNIOR HISTORY

In September of 1945 the "Class of '47" began their career in the old building under the leadership of Miss Bolton, with the enrollment of 27. In 1936 the enrollment was 32 and Miss Barbara Brandon was our teacher. Our guide in 1937 was Miss Hamman with the enrollment of 30 pupils. In the year 1940 Mr. Gurtner promoted us to the Junior High. Mr. Bowers was our guide through the Junior High grades and during our Freshman year.

Our sponsor in our Sophomore Class was Miss Ethel Yoder. She led us successfully with the enrollment of 44. Because of the loss of Claude Buss, we now have an enrollment of 43. Our class sponsor, Miss Yoder, is leading us in many class activities.

SOPHOMORE HISTORY

We, the class of '48, started on our long, hard, journey for knowledge in 1936 with 30 pupils under Miss Bolton. Most of us passed on to the second grade, our teacher being Miss Brandon. Miss Hamman and Miss Dirrim did their best to increase our knowledge in the third and fourth grades. In the fifth and sixth grades Mr. McIntosh and Mr. Gurtner gave us a helping hand. From there we passed into Junior High. Our home room teachers in Junior High were Mr. Shore and Mr. Blomeke.

We were rushed through our Freshman and Sophomore years with Mr. Bowers as our advisor.

This year we started out with 41. With the loss of Carl McNutt and Ralph Donaldson and the gaining of Barbara McManama from Decatur, we now have 41 enrolled. This year to enlarge our treasury the class sold Christmas and greeting cards.

FRESHMAN HISTORY

In 1937 thirty-four pupils entered the Waterloo Public School with Miss Maxine Bickel as our first teacher. In the second grade there were 26 of us having Miss Wisner as our teacher. Twenty-two pupils made it safely to the third and fourth grades to have Miss Hamman and Miss Dirrim for our teachers. We had 27 in the fifth, under the guidance of Mr. McIntosh who passed 26 of us on to the sixth. Mr. Gurtner sent us into the Junior High.

In the seventh C. S. Overmeyer had 24 pupils. In the eighth once again we had Mr. McIntosh who sent 26 into High School. We had 45 at the beginning of the year and lost five, to make our enrollment 40 at the present. We have Mr. Leslie as our home room teacher this year.

Girl Reserves

GIRL RESERVES

Gracious in manner
Impartial in judgment
Ready for service
Loyal to friends
Reaching toward the best
Earnest in purpose
Seeing the beautiful
Eager for knowledge
Reverent to God
Victorious over self
Ever dependable
Sincere at all times.

The purpose of the Girl Reserves is: To find and give the best.

The Girl Reserves have been very active this year. A new constitution was framed for the purpose of having a better club. The Girl Reserves with the Hi-Y sponsored a fall carnival and the money was used to install a new trophy case. At Christmas time we fixed boxes for the orphans. We made animals and wrapped gifts for the larger children. We took these gifts to the Allen County Home and Pixley home in Fort Wayne. A backward skating party was sponsored by the Girl Reserves, which was enjoyed by all. During basketball games the Girl Reserves ran a hot dog stand. On March 30, a group of girls and our sponsor, Miss Yoder, went to South Bend to the Northern Indiana Girl Reserves Conference. In the Spring, a school bus was taken to Pokagon State Park where a weiner-roast was held. For Easter a program was given at the United Brethren Church. The very eventful year was closed with a formal initiation of the new officers and members.

Our officers this year have been:

PRESIDENT	ANNABELLE STANGE
VICE-PRESIDENT	BARBARA DIEDERICH
SECRETARY and TREASURER	MERRIEL NODINE
SERGEANT-AT-ARMS	BETTY McENTARFER

SPONSOR	MISS YODER

Hi-Y Club

The Waterloo Hi-Y began its third year by outlining its program. New members were voted in and were passed upon by an initiation. Of the several things that they Hi-Y undertook, the main project was furnishing spectators basketball score cards. The Girl Reserves and the Hi-Y jointly held a carnival and with funds obtained have presented the school with a trophy case. This will appear in our school building as soon as possible.

The District Hi-Y Conference was held here this year with the Waterloo Hi-Y Club as host.

As planned in the conference the Hi-Y club brought here to speak before the school, Dr. Glenn Frye, pastor of the Methodist Peace Temple, Benton Harbor, Michigan. He spoke on Boy-Girl Friendship.

This year the Future Farmers of America had an enrollment of 43 members in their club and the above officers were elected. On March 8 the officers went to Angola for the district F. F. A. Banquet and enjoyed a fine time and supper. We also sponsored the annual pest contest with the West Side vs. the East Side. The East Side won by a large margin. During one of our meetings we were entertained by John Thimlar, the local Albion Production Credit Association agent. In October we had a roller skating party and invited the following chapters: Auburn, Garrett, Spencerville, St. Joe, Butler, Ashley, and Hamilton.

Debate Team

Front row: Juanita Krontz, Vereda Boman, Myron Johnson, James Hamilton.

Second row: Miss Yoder, Virgil Johnson, Clayton Sattison, Vincent Girardot.

The question for debate in 1946 was, Resolved: "That every able bodied male citizen of the United States should have one year of full time military training before attaining the age of 24."

The affirmative team was composed of Vereda Boman, Juanita Krontz, and Virgil Johnson. The negative team was James Hamilton, Myron Johnson, Clayton Sattison, and Vincent Girardot.

The teams made a trip to Fort Wayne for a practice debate with the Concordia teams. The negative team won and the affirmative lost. Another practice debate was with North Side at Waterloo. Both of our teams won at this debate.

The tournament for District No. 4, of which Waterloo is a member, was held at Fort Wayne the twenty-sixth of February. Each team had two debates.

This has been our first year for debate and we did very well.

Speech Class

There were thirty members in the class. At first we learned the objectives of speech and made several speeches to interest, inform, stimulate, convince, and persuade.

Next, dramatics was studied. Four one-act plays were given. One play, "The Cats' Whiskers," was given one afternoon. The other three plays were given in the evening. The titles of those were "The Tiger's Claw," "Gallop'n' Grandma," and "No Greater Love."

Declamations or readings were memorized and some of them were delivered in an assembly program. Both humorous and dramatic declamations were memorized.

The class was divided into groups of four and debates were prepared. These were all delivered in class.

Everyone wrote an oration. It was memorized and delivered before judges. First prize was given to Vernon Horntrap.

Extemporaneous speeches and after dinner speeches were studied and given.

Merwood Till and Dave Rhoadarmer participated in the Junior Town Meeting. North Side students were our guests. The question was, "Should the United States Take the Initiative to Feed and Clothe the Needy for Five Years." The questioners were Barbara Diederich, Max Aldrich, and Richard Weirich.

Coaches

This was Mr. Long's first year as our athletic coach. He came from Camden, Indiana, and before that he coached in Pulaski County and Cass County. This was his thirteenth year of coaching. This year, being his first at our school and constantly being hampered by sickness, he was not allowed to prove his real coaching ability. However, things should really happen during the next two years at least, once Mr. Long starts the boys rolling and has them hanging up one victory after another for he is gradually building up our athletic department.

SEE PAGE 58

JAMES W. HAMILTON, (Sag), Center

This was Jim's second year on the first team. He was a regular playing the full time of most every game. Jim was in there fighting all the time, holding his opponent and did some fine rebound work.

RICHARD R. WEIRICH, (Red), Forward

Red was playing his second year on the first team and playing regularly. Red was best known for his tight defensive work as most of his opponents would agree. His offensive work must not be forgotten, as he was in there helping out all the time.

MYRON L. JOHNSON, (Slaps), Guard

Myron was captain of the team. This being Myron's second year as a regular was the only one having an extra year's experience. He steadied the team and did lots of clever ball handling. Myron led the team in scoring most of the time.

ROBERT STANLEY, (Bob), Forward

Bob, a sophomore, broke into the varsity this year as a sub. He played much in the forepart of the season, but due to sickness was unable to participate in the later games. He was a very valuable man and will be one of the key men in the two years to follow.

DAVID RHOADARMER, (Frog), Guard

Dave was another regular playing his first year on the first team. He was a cool-headed player and played a consistent game on both defense and offense. Dave was in there playing his best all of the time.

SEE PAGE 59

BUDDY BAIRD, (Bud), Guard

Bud also a sophomore this year. He didn't score much but was the fightingest player on the team. He was also very good on defense.

MAX FEE, (Max), Forward

Max broke into the first team this year as a regular. Fee did lots of fancy ball handling and some clever passing. He was in there breaking up plays for the opposition and intercepted many passes. Max will be back again next year.

THOMAS FARRINGTON, (Bull), Center

Tom is a junior this year and promises to be an outstanding player of next season. This year he played quite a lot of ball and had some outstanding moments in the process.

RICHARD KUTZNER, (Dick), Forward

Dick, only a sophomore, will be back for two more years. He was a consistent player what time he played and was known to have speed to burn.

ROY WILLIAMS, (Roy), Guard

Roy played most of the year on the second team but due to his consistence as a scorer and playmaker was soon promoted to the varsity. Roy is a junior this year.

JACK DUNN, (Jack), Guard

(Not in picture)

Jack also played much of the year on the second team, but due to his good all-around play, he made the grade to the varsity. He will be an asset to the next year's team since he was only a junior this year.

Third row: Harold Grate, Charles Kuckuck, Robert Girardot, Charles Fike, Darwin Werner, Coach Bruce Gurtner, Maynard Fee, Loren Bowers, Melvin Bowman.

SECOND TEAM KITTENS

The Kittens had somewhat of a successful season winning 11 games and losing 6. During the course of the season they scored 404 points to the opponents 357. Bob Knott was the captain and leading scorer of the team. They were a very consistent ball club, very seldom having a ragged night.

Mr. Gurtner coached the Kittens and did a very nice job of it.

Baseball

Front row: Coach Long, Duane Lee Grate, Myron Johnson, Richard Weirich, Dave Rhoadarmer, Robert Stanley, Bud Baird, Bill Hubartt.

Second row: Raymond Eloph, Richard Kutzner, Max Fee, Thomas Farrington, James Hamilton, Robert Knott, Darwin Werner.

The baseball season was not too successful. Because of much rain we were able to play four complete games, the fifth and final game was rained out after one inning of play. We won two and lost two, and were ahead in the fifth.

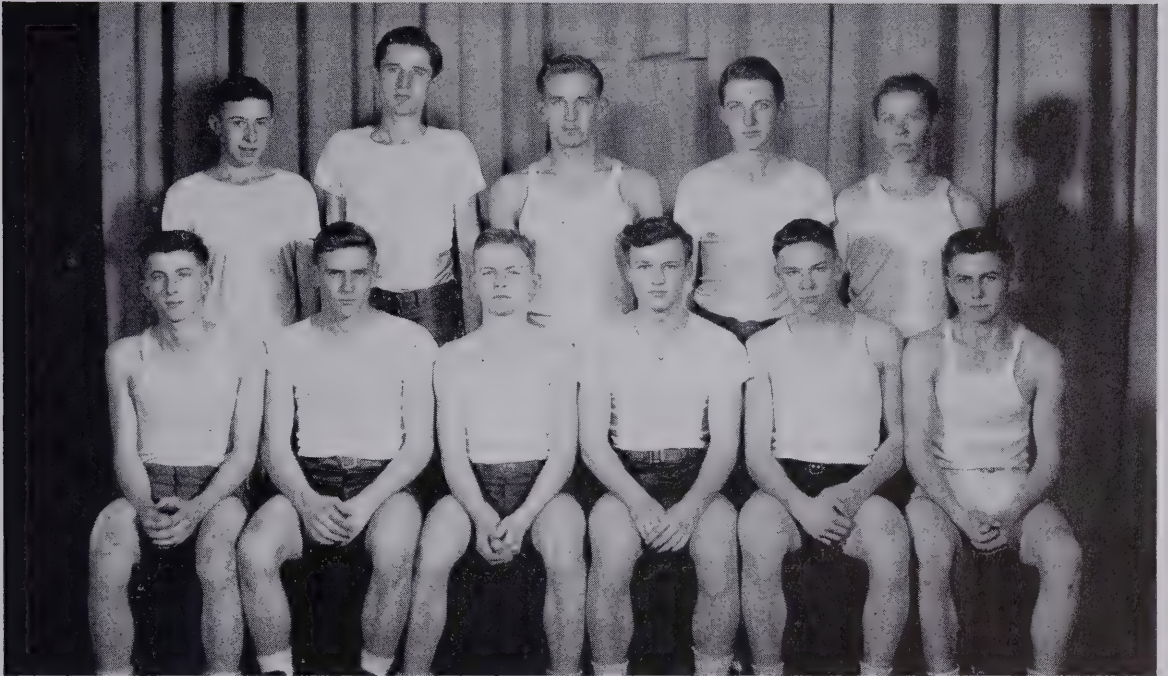

The first contest was with Ashley. We won this game handily by a 10 to 4 score. Knott did a nice job of pitching and some fine backing in the field cinched the victory.

Our next game with Angola was a bad one. Because of some costly errors and weak hitting on our part we lost the game 13 to 1. Both of these games were played at Waterloo.

The third game took us to Ashley to play. Once again we beat the Ashley boys, this time 15 to 5. The victory came in the second inning when we scored 8 runs.

The last complete game was played on a cold afternoon with Butler, on our own diamond. The diamond was muddy and we lost. We lost this final game 8 to 5.
